The Coronavirus

The new NCP coronavirus may not show sign of infection for many days. How can one know if he/she is infected? By the time they have fever and/or cough and go to the hospital, the lungs are usually 50 % Fibrosis (scar tissue) and it's too late!

Taiwan experts provide a simple self-check that we can do every morning:

1) Take a deep breath and hold your breath for more than 10 seconds. If you complete it successfully without coughing, without discomfort, stuffiness or tightness, etc., it proves there is no fibrosis in the lungs, basically indicating no infection. In critical times, please self-check every morning in an environment with clean air. SERIOUS EXCELLENT ADVICE by Japanese Doctors treating COVID-19 cases.

2) Everyone should ensure your mouth & throat is moist, never DRY. Take a few sips of water every 15 mins at least. WHY? Even if the virus gets into your mouth...drinking water or other liquids will WASH them down through your esophagus into the stomach. Once in your tummy...your stomach ACID will kill all the virus. If you don't drink enough water more regularly....the virus can enter your windpipes and into the LUNGS. That's very dangerous.

From All That Dwell Below The Skies

From all that dwell below the skies, Let the Creator's praise arise.
Let the Redeemer's name be sung. Through every land by every tongue.

The Contemporary Decalogue:

Leader: Let us express our commitment to keep God's law.

People: God of our salvation, only you are God. We will make no idols. We will not invoke with malice Your name, O God. We will remember the Sabbath Day and keep it holy. We will honor our father and our mother. We will not commit murder. We will not commit adultery. We will not steal. We will not bear false witness. We will not covet anything that belongs to our neighbor.

People: *(Singing)* Lord have mercy upon us and incline our hearts to keep this law. My soul be on thy guard, ten thousand foes arise. A host of sins are pressing hard to draw me from thy side

Leader: Jesus said: You shall love the Lord your God with all your heart, and all your soul, and with all your mind. This is the first and great commandment.

People: *(Singing)* Lord have mercy upon us, and incline our hearts to keep this law.

Leader: Thou shall not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh His name in vain.

People: Jesus also challenged us with a sacred commandment which is like the first: We shall love our neighbor as our self! On these two commandments depend all the law and the prophets.

(Decalogue by Bishop Jeffery Leath).

The GLORIA PATRI

All: *(Singing)* Glory be to the Father, and to the Son, and to the Holy Ghost; as it was in the beginning, is now, and ever shall be, world without end. Amen.

Affirmation of Faith/Apostle's Creed

I believe in God, the Father Almighty, Maker of heaven and earth, and in Jesus Christ His only son our Lord who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried. The third day He arose from the dead; He ascended into heaven and sits at the right hand of God the Father Almighty, from thence He shall come to judge the quick and the dead. I believe in the Holy Spirit, the Church universal, the communion of saints, the forgiveness of sins, the resurrection of the body and the life everlasting. Amen.

COVID-19: How to stay safe & help prevent spread of the novel coronavirus

The City of Los Angeles is working closely with the Los Angeles County Department of Public Health and the County Office of Emergency Management to share updates, guidance and information about the novel coronavirus and COVID-19.

What we know: COVID-19 symptoms include fever, cough, and shortness of breath — and may appear in as few as 2 days or as long as 14 days after exposure.

Person-to-person spread mainly occurs via respiratory droplets produced when an infected person coughs or sneezes (similar to how influenza and other respiratory pathogens spread). In rare cases, it may be possible that COVID-19 can be transmitted by touching an infected surface or object.

People are thought to be most contagious when they are most ill.

Currently, the Centers for Disease Control and Prevention (CDC) and the Los Angeles County Department of Public Health (DPH) are not recommending personal face masks be used by individuals who do not have prolonged exposure to individuals who have been identified as at risk.

What you can do: You can help reduce the spread of the virus by taking a few simple actions.

Use healthy hygiene practices If you are sick, stay home. Wash your hands often with soap and water for at least 20 seconds. Avoid touching your eyes, nose, and mouth with unwashed hands. Cover your cough or sneeze. Clean and disinfect frequently touched objects and surfaces.

Plan ahead As Angelenos living in earthquake country, we know the importance of personal preparedness on any given day. Have extra food, medical supplies, and emergency kits. Talk to your family, friends, and neighbors to develop emergency plans.

Monitor your health If you have recently traveled in an area with coronavirus infections, OR been in contact with someone who has tested positive, OR are showing symptoms, monitor your health and contact a medical professional. If you are having difficulty breathing or keeping fluids down, go to an emergency room or call 911. Otherwise, it is better to call your doctor before going in to seek care

Keep your distance Practice social distancing, such as keeping six feet between yourself and others, avoid shaking hands, and avoid crowded areas. If you have a chronic disease, like lung disease, diabetes, cancer, a compromised immune system, are over 60 or pregnant, avoid unnecessary travel, unnecessary gatherings and events

Stay informed Stick with official sources for accurate and up-to-date information, including www.cdc.gov and publichealth.lacounty.gov. You can sign up for our City's Mass notification system at NotifyLA.org.

What the City is doing: Mayor Garcetti has instructed City Departments to implement statewide guidance and safety measures in our City policies to limit the spread of the virus.

City Hall will be closed to members of the public, except for public meetings of the City Council, and board and commission meetings will transition to accessible phone or video conference sessions that will allow constituents to make comments, ask questions, and engage with local leaders.

Additionally, the City is deploying hand-washing and sanitizing stations in City-owned public buildings and limiting gatherings and entry of visitors into public buildings to no more than 50 people at a time.

The Way Of Salvation

- All have sinned (Romans 3:23).
- The wages of sin is death (Romans 6:23).

I turn from my sins and invite you to come into my heart and my life. I want to trust You and follow You as my Lord and Savior. In Your name, Amen
