## **Beloved of St. Monica,**

Jesus invites us to love with a radical love.

Let's do it. Let's love radically like Jesus.

A few weeks ago, Joe and June Welsh watched with holy breath, the Body and Blood flow through their great grand-daughter for the first time. Heather Marie Francis Calef was on fire with the Holy Spirit.

We all have disabilities while some of us have more profound disabilities. But we are all loved by God. Congratulations to Heather's mother, Kathleen, for having such great faith and allowing us to celebrate these sacraments here  
at St. Monica Church.

At my homily last weekend I shared with ya'll the words below the Statue of Liberty in New York harbor. I can imagine they are the same as what God says to all of us everyday  
and from every country:

**Give me your tired, your poor,  
Your huddled masses yearning to breathe free,  
The wretched refuse of your teeming shore.  
Send these, the homeless, tempest-tossed to  
me, I lift my lamp beside the golden door!**

Yes! Let us welcome and assist **all** to the  
compassionate love of Jesus  
through the Eucharist.  
Let us be love for the world.

Love, joy, peace

## THE ADMINISTRATIVE MINUTE

Your Stewardship at work in our Parish Community!

Laura and I are deeply, deeply grateful for the new wheelchair ramp that was recently built and installed at our home by two men from St. Monica. The old one was slippery and dangerous – I broke a rib – and no sooner did Laura put out a call for help than our church family responded. It is especially needed now while Laura recovers from her second foot surgery in six months.

We pray God's richest blessings for those who helped in a time of need.

Very truly yours  
Andy Hall

Want to have an extraordinary life? In this second video series, Kapaun's Men examines how the concept of Stewardship helps us recognize the unique set of gifts God has given to each of us and how to use those gifts well. By focusing on Hospitality, Prayer, Formation and Service, this 10-part series helps us live as a gift to others and leave behind a legacy for our family, friends, and the world. As our model, Father Emil Kapaun, taught, "God gave us our gifts, not for our own glory or pride, but that we might use them for God's greater honor and glory. Use your gifts to help your fellow man as much as you can." (10 Sessions)

#### **Session 1: Introduction to the Stewardship Way of Life**

As each one has received a gift, use it to serve one another as good stewards of God's varied grace." (1 Peter 4:10). Indeed, everything we have is a gift from God that is given to help us return to heaven. Much more than focusing on money, this video introduces a spirituality of Stewardship that helps us recognize and receive all of God's gifts and share them with others. (8 minutes)

## SPIRITUAL GROWTH

**Do you have the desire to learn more about God and want to grow closer to Him?**

The first words in the Catechism of the Catholic Church are, "The desire for God is written in the human heart, because man is created by God and for God; and God never ceases to draw man to himself. Only in God will he find the truth and happiness he never stops searching for."

We are blessed as Catholics to have had over 2,000 years of spiritual wisdom passed down to us by those who searched for God before us. Our church is rich in tradition and provides us many tools to help us along our journey of faith. The best part is that we can each individually choose what helps us best and fits our lifestyle. Some of us are at the beginning of our journey and others are farther down the road. And if we find that something isn't working as well as it once did, we can try something new to help us make better progress. The one thing you will find is the more you seek God, the more He will reveal Himself to you!

Each week, Grow in Faith will highlight something that may help you on your journey. You may want to try it now or save it for somewhere down the road. The most important thing is that you take the time to get to know God better and grow in His love for you.
