Notes:
If you have an order and want to do multiple pick-ups or shipment, you will be charged $50.00 packaging fee per shipment or pick-up.

Shipping costs are based upon weight and volume. While we cannot estimate exact shipping costs until the order is shipped, you can always estimate 20% of your total order for shipping.

A storage fee maybe be charged for any orders delayed five days or more from the requested pick-up/shipping date. The storage fee will be based upon quantity of plants stored and you will be notified of the costs when changing the pick-up/shipping date.
