- Play at your convenience—no set league day! Just have to have scores in by the end of the week.
- Golfers play their own shots, but only the best score per hole is recorded.
- Earn points each week by playing, competing in weekly games, and placing 1st, 2nd, or 3rd in low score against the field, as well as beating the league average for the week
- This league is not handicapped.
- Compete for prizes and enjoy Castlewood's high-quality course conditions!

Fees:

- **\$135 per team**
- **Get the evening rate no matter when you play! \$15 to be paid by each player each week**
- **Carts available for \$12 each**

Important Note:

Tee times are not available on **Tues-Thurs after 3pm** due to other adult leagues.
