

To Whom It May Concern,

Therapeutic Lake Cruises (TLC) is pleased to announce our upcoming Fundraiser Event, Silent Auction, at Sandhill Winery on February 8th, 2026.

This event will raise essential funds to support our non-profit society and its summer boating program for seniors.

Each summer, Therapeutic Lake Cruises welcomes 175 to 200 seniors aboard our comfortable, and well-maintained boat for a relaxing cruise on the beautiful Okanagan Lake. For many participants, this experience provides a much-needed opportunity to enjoy the sunshine, feel the breeze, and share special moments with friends and family.

Our cruises are led by Transport Canada–approved captains, and local care homes participate for only a small donation—keeping this cherished experience affordable and accessible to all.

For over 15 years, TLC has been dedicated to helping seniors overcome isolation and loneliness by fostering community connection and joy on the water. We believe that a strong community is measured by how it cares for its seniors, and we are proud to offer this meaningful service year after year.

We invite you to support our upcoming fundraiser by contributing a donation of goods, services, or gift cards. Your generous contribution will help ensure the continued success of this heartwarming program and will be recognized in our event program for an audience of approximately 200 guests.

We would be happy to arrange for pick-up or drop-off of any donated items at your convenience.

Get on board with us!

Together, we can continue to bring smiles, sunshine, and connection to the seniors of our community.

With gratitude,  
Donna Cameron  
Therapeutic Lake Cruises Society
