LaSalle Golf & Country Club

2019

Ryder Cup Golf Tournament is tentatively scheduled for September 29 between LaSalle Golf and Panola Woods of Ferriday. It will be held here at LaSalle Golf. Starting time will be 9:00a.m. Check our website www.lasallegolf.com for additional information and updates.

During the extremely hot weather please try to protect the fairways as much as possible by driving down the sides of the fairways then 90 degrees across to your ball. With less traffic on the fairways, the grass has a better chance of not dying.

Thanks to Dr. Robert Kendrick's devotion to checking the pool on a daily basis our pool has looked better this year than it's ever looked. The new equipment is also paying off. This is one of the nicest pools in the area.

Thanks to Candy Barton, Mary Edwards and the Lady Golfers for the large donation of their savings over the years to purchase this top of the line 500lb Ice Machine for the Club. We also want to thank those individual members for making personal donations. The new machine cost a \$4,781.00 which included delivery and installation by Trenton Appliance of West Monroe. With all the generous donations this new ice machine will cost the Club very little. We are so blessed to have members that are willing to help out with the needs of the Club. This is what separates our Club from a lot of the other small Golf and Country Clubs.
