Private Treaty Kickoff Sale

WWW.TOWERHILLSRANCH.COM

Welcome to Tower Hills Ranch fall 2019 private treaty kickoff!

We have come out of an unusually cool and wet summer with record gains on our commercial yearlings and solid performance in our Registered herd. We are proud to present the bulls born in the Spring of 2018. These bulls have been developed on grass and selected based on how well they thrived on grass. Whether your focus is on bigger weaned calves, smaller baby calves, or better, more fertile heifer calves, we have bulls to meet your needs. This new crop has a variety of AI stud sons, but all feature significant performance in an attractive package.

This year we will publish a list of asking prices on October 5, 2019, and will start selling the cattle at 10:30 a.m. on Saturday, October 12. Go to TowerHillsRanch.com to get updates and prices! If you are interested in a particular animal at our modest asking price we encourage you to let us know, with your contact information, before the kickoff. No animals will be sold before kickoff, but at kickoff it is strictly first come first served. Where multiple customers have expressed interest in the same animal before kickoff we will have a quiet auction between those customers on the 12th. We are taking \$100 off our asking price for all bulls sold on October 12.

Breeding Guarantee

All the bulls offered have passed a Breeding Soundness Exam performed by Reproduction Enterprises, Inc. in 2019. We guarantee them to be fertile for the first breeding season. If a bull fails to settle your females we will provide one of the following: 1) A satisfactory replacement, if one is available. 2) Credit on a future Tower Hills Ranch animal— equal to the purchase price less salvage value. The “first breeding season” is defined as the first three months (90 days) following the day of turn out. This is not a mortality insurance policy on your purchases. We suggest contacting an insurance representative to inquire about mortality insurance. Tower Hills Ranch will not replace an animal due to death or injury. We do ask you to contact Tower Hills Ranch immediately upon discovery of a failure to breed and within the first breeding season time frame.
