

Running Age commercial pairs

These 24 cows were all born on Tower Hills Ranch, and are sired by Tower Hills Ranch registered bulls and are out of Tower Hills' closed herd of fancy Angus and Optimizer commercial cows.

They have been exposed to Tower Hills registered bulls since calving and many probably are pregnant

The calves were born between June 1 and August 1, 2021

The cows weigh around 1,300 pounds. The calves weigh average 320 pounds.

These cows were aged by examining their teeth.
