Foreword

Welcome back to Weeton Army Camp for The Heroes Stages Rally. Once again, we run the event in memory of Les Fragle. Les was well known and respected both within motorsport and the wider world freely giving much of his time to several worthy local organisations as well as many rallies nationwide. Both clubs are indebted to Les for his contribution to the Heroes Rally since the beginning as both a Radio Controller and latterly the event Safety Officer, roles he carried out exceptionally and professionally. Les will be in our thoughts on the day, and the organisers hope the rally is befitting to the memory of Les.

PLEASE READ THESE REGULATIONS CAREFULLY AND CONTACT THE CLERK OF THE COURSE IF YOU HAVE ANY QUESTIONS.

As many are aware Weeton has undergone changes recently meaning that there has been a reduction in the area available for the event to use, both competitively and for a service area. Because of this we must limit entry numbers to a maximum of **40** on each day.

We are aiming to run several special stages containing up to 34 stage miles

Entries will open on publication of these regulations. As always, we expect interest to be high and spaces to fill up quickly. The first 40 entries will be accepted in order of receipt, subject to meeting all the criteria set out within these regulations.

As always, it is important for us to have an adequate number of marshals for the event, please ask your friends and club members to come along and marshal, contact the chief marshal to indicate their interest. All signed on marshals will receive a food voucher and a cash contribution to their costs each day they marshal

Thanks to the following

Ministry of Defence, Weeton Army Camp, David Lawson (Bilsborrow Motor Company), Local Farmers and residents, Lancashire Police and Local Council, Motorsport UK, Chris Woodcock RLO, David Walmsley MOD RLO, The Scrutineers, Timekeeper, Stewards, Radio Controller, Recovery, Rescue and Paramedic Teams and all the helpers and Marshals, without whom the event could not run.

 - a) **Junior and Cross Car Event Friday 31st July 2026**

Access to the venue will be available on Friday afternoon for Junior and Cross Car entries who wish to leave their cars at the venue overnight. There is no overnight camping permitted at the venue and any vehicles and equipment is left entirely at the competitor's own risk. Access times will be confirmed in the final instructions but for competitor planning purposes we expect this to be between 16:00 hrs and 19:00hrs. Any senior competitors arriving on Friday will be turned away due to space restriction at the venue
 - b) **Senior Event Saturday 1st August 2026**

There will be no access to the venue whilst the Junior/Cross Car event is running. Access for those senior competitors wishing to leave their cars at the venue overnight will be confirmed in the Final Instructions but for competitor planning purposes we expect this to be from 18:30hrs until 20:30hrs. There is no overnight camping at the venue and all vehicles and equipment left is entirely at the competitor's own risk. The organisers request that competitors do not arrive before 18:30 hrs because access to the farm and businesses further down the access road is required at all times and any issues with parked vehicles will cause a PR issue and threaten the future use of the venue. Any vehicles parked on the access road before 18:30hrs will be asked to move and return after 18:30hrs.

The ANWCC is one of the largest Motorsport UK Regional Associations covering the UK and we are here to assist you with your enjoyment of motorsport. Although based in the North-West we have a wide area of operation with over 130 member clubs, covering the northern half of England, virtually the whole of Wales, a little bit of Scotland and also the Isle of Man. We run a wide range of popular championships for the members of our club to contest. No matter whether you run a world rally car or your shopping car, and every competitor has an equal chance of success and awards.

The concept is for up to 1 litre cars with very tight regulations. Cars have good safety equipment, and they handle and stop well but don't have the expensive internally modified engines and transmissions of other classes.

The Junior 1000 Rally Championships are the only Championships in the UK which allows drivers aged between 14 and 17 to compete on Rallies across the UK.

The Senior 1000 Rally Championship makes a welcome return in 2026 which allows Juniors moving up from the Junior Championship to still compete with their junior cars with limited improvements against Seniors in equal machinery and to continue their development with limited budgets

The SD34 Group was founded in 1964 to help promote cooperation between the motorsport clubs of the northwest and took its name from the fact that the founding clubs (Longton, Clitheroe, Calder Vale & Mullard 2300) were all based in the area of the SD34 group of Ordnance Survey maps. The four members became six, then ten. There are now 35 member clubs.

The purpose of the Back to Roots Tarmac Championship (BRTC) is to try to make grassroots rallying more affordable. The BRTC has events spread evenly throughout the year to minimise the impact on any one wage packet! Every event in the Championship aims to keep their entry fee as cheap as possible and registration to the Championship is just £10 for the year.
