The ANWCC is one of the largest Motorsport UK Regional Associations covering the UK and we are here to assist you with your enjoyment of motorsport. Although based in the North-West we have a wide area of operation with over 130 member clubs, covering the northern half of England, virtually the whole of Wales, a little bit of Scotland and also the Isle of Man. We run a wide range of popular championships for the members of our club to contest. No matter whether you run a world rally car or your shopping car, and every competitor has an equal chance of success and awards.

The SD34 Group was founded in 1964 to help promote cooperation between the motorsport clubs of the northwest and took its name from the fact that the founding clubs (Longton, Clitheroe, Calder Vale & Mullard 2300) were all based in the area of the SD34 group of Ordnance Survey maps. The four members became six, then ten. There are now 35 member clubs.
