Congratulations to our winners!

First Wildcat Ranch Phoenix Pickleball Tournament Fundraiser

We would like to extend our heartfelt thanks to everyone who participated in and supported the recent Pickleball Tournament. Your enthusiasm, generosity, and dedication made this event a success!

Thanks to the incredible turnout, we were able to raise funds to further our mission of providing Equine Assisted Therapy for veterans, first responders, and children with therapy needs. The tournament brought together players of all skill levels, but the real winners are the individuals who will benefit from the therapeutic programs we are now able to continue and expand.

We also want to express our gratitude to the Chicken N Pickle staff, our volunteers, and organizers who made the day possible and were invaluable in creating a fun and meaningful experience for all.

Because of you, we're closer to our goal of building a shaded structure to host therapy sessions and caring for our horses

Thank you again for being part of the Wildcat Ranch Phoenix family. We look forward to seeing you at our next pickleball event!

Innaugural Wild West Fundraiser Event

Join us for the Inaugural Wild West Casino Night on November 9, 2024, at Wildcat Ranch Phoenix! Get ready for an unforgettable evening filled with casino games, exciting silent auction, entertainment, raffle, and delicious food and drinks. All proceeds will directly support the construction of a shaded structure for Equine Assisted Therapy, benefiting veterans, first responders, and children with therapy needs. This is your chance to enjoy a fun-filled night in true Wild West fashion, while making a meaningful impact in the community. Whether you're playing to win big or just there for the atmosphere, this event promises something for everyone. Buy your tickets, grab your hat, and help us change lives! Don't miss out!

Vets Visit Wildcat Ranch

This past week, Wildcat Ranch welcomed our trusted veterinarians for routine health checks and vaccinations to ensure the well-being of our horses. Each horse underwent a thorough examination, including dental and hoof assessments, as well as vaccines to protect against diseases like equine influenza and Rhinopneumonitis. These regular check-ups are vital for maintaining the health of our equine friends. Thanks to our vets, we can continue providing excellent care for our horses and the community they serve. Wildcat Ranch is committed to the highest standards of care, This keeps them healthy and happy and ensures that they can continue their important work, bringing healing and comfort to those who need it most.
