

Specification

A medium round walkover paver with an enlarged bezel and narrow lens.

A small lightweight fixture applicable for uplighting or facades/walls.

It also includes an adjustable backnut to allow for extra security when fitting the fibre within the fixture.

It can be used in a variety of different structures and compounds such as; wood, concrete, acrylic and tiles.

The FP-PA2 is ideally used for Endglow fibre: EG0.75, EG1.0, EG1.5 and EG2.0
