

Specification

A small round walkover paver made to withstand heavy force.

A medium fixture applicable for uplighting.

It also includes a silicone O-ring to allow for extra safety in wet environments.

It can be used in a variety of different structures and compounds such as; wood, concrete, acrylic and tiles.

The FP-PA3 is ideally used for Endglow fibre: EG0.75, EG1.0, EG1.5 and EG2.0
