

MEDICAL /HOSPITALS / PHARMACEUTICAL DIVISION

*TSC was called upon to save a Hospital with five locations from going under. They were short by 40 individuals in Radiology and 56 short in Nursing. JACHO was about to shut them down for lack of enough employees to provide adequate service. TSC went in and designed a strategic recruiting plan that filled all of their shortages. We were able to keep the Hospital(s) open and receive commendations from the Board of Directors as well as JACHO.
