

HOW 01.

We make it simple to publish as we just ask for a PDF of your manuscript, then we edit layout and cover and within three weeks time the book is ready for distribution

02. WHY

By providing this service we not only help within the education and culture sectors, but we also facilitate entrepreneurship by additionally providing writers 20 copies of their book at no charge.

Our first anual group publication was Canja Pa Nos Alma. Released in 2022 we successfully published 27 Kriolx writers in or first edition.

This collection of poetry features three of Cabo Verde's top languages. Kriolu, English, and Portugeese, with our largest focus on Kriolu

This service is supported by Laraxadu.Swim

All About **CREATIVE SPONSORSHIP**

Although we are a non-profit service we still strive to create uniquely sustainable ways to facilitate all publications regardless of outside donations. In doing so we designed a swimwear line LARAXADU.Swim

100% of the proceeds go directly to our KRIOLABOOKS service.
