## **CONSCIENCE**

**(From Life of Jesus Devotions)**

**"In Him was life and the life was the light for mankind and the darkness has not put it out." (John 1)**

Our "*life*" created in God's image (Gen. 1-2) has the inner "*light*" of conscience. We know instinctively that some things are right and some are wrong. If a dog kills its puppy that is *SAD* but if a man beats a puppy to death for the fun of it that is *BAD* and we instinctively feel he should be punished.

One glory of being human is that we cannot do bad without feeling bad. No animal *feels* bad about the food it has stolen and brings it back. It can be trained to do it but never feels it "ought" to do it. That is a human trait.

This truth convinced C.S. Lewis a personal Creator was real and turned him from atheism to Christianity..

Years ago, a man was to be executed for rape and murder and the week of the execution another man walked in, confessed to committing the crime and gave enough details to let them know he was telling the truth. When asked why, he said he learned that the man to be executed was an ex-Marine who served in Vietnam, and he was a Marine who served in Vietnam, and he said, "I could not let a fellow Marine be put to death for something I did". Romans 2 says our conscience will speak for and against us at the Judgment Day. I will be my own Judge and you will be your own Judge. What will I say? What will you?"
