my hands. It looked like he'd had it and it studied for 20 years, not six months. He had read it, reread it, and reread it. On almost every page were notes. I thought of a wonderful saying:

A Bible that is falling apart usually belongs to someone who isn't.

The Most Beautiful Bible I Have Ever Seen

I want to tell you about the most beautiful Bible I have ever seen. It was not expensive. It cost one dollar. It did not belong to a famous person. It belonged to an humble carpenter / farmer in my first church out of seminary in Haddock, Ga. God gave me the wonderful privilege of leading a man in his late 60's to faith in Christ.

You never know what lies around the next corner in life. About six months after his conversion he learned he had cancer. This affected me deeply. I wondered how he would react to this diagnosis so soon after his conversion. Would he leave the faith? Would he shake his fist at God? Would he ask questions I could not answer? I was afraid.

In his hospital room we talked a little about his upcoming surgery, and before I left, as usual, I said, let's have prayer together. He said, "Preacher, would you please read something out of the Bible you gave me before you leave?"

I opened the drawer of the table by his bed and took his Bible out. It almost fell apart in

What does "TP" Mean

An elderly lady died and as her children were going through some of her things, they came across her Bible. They found in it many precious notes and clippings. One thing, however, puzzled them. Every now and then they came across verses with the letters "TP" beside them. They had no idea what this meant until they came to the last page and read:

"TP" = "Tried and Proven"

They knew their dear mother had built her life on the foundation that the Word of God could be trusted, because its author, God, is behind every word. This is how Jesus lived. When tempted by Satan to turn stones into bread He answered him with a verse from his Bible, but not just a Bible verse; it was the foundation of his life.

"Man shall not live by bread alone, but by every word that comes from the mouth of God." {Matt. 4:4 / Deut 8}3}

I was born again by one Bible verse – Jesus' prayer as he was being nailed to the cross, "Father forgive them!" I told Jesus I believed if he forgave those who spit on him and cursed him and nailed into a cross, I believed he would forgive me. I accepted that forgiveness and asked him to help me be the kind of person he wanted me to be. That is why my wife had a Christian husband, my children had a Christian father and why I have the joy and privilege of being your pastor.
