Because you give through our church, you helped furnish a whopping:

307 Sack Lunches

(App. 130 Families)

last week through Bethel. I am going to send a letter to all the Churches in our association asking them to put this ministry in their church budgets for 2026. Please pray the Holy Spirit will guide them to do this

Please pray for God to send more faithful people to serve Him through Bethel. Pray we can continue to serve Him through Bethel

From Preacher Bob's Old Messages

Praying and Sinning

I met a man this week who we met while he was ministering to his wife when she was dying. Our staff and several of our members showed love and help more than once. I witnessed to them about the Lord and salvation.

He and his wife accepted Christ and it was my privilege to preach her funeral. We talked this week of his two years of loneliness, then he said,

“Preacher Bob, I was saved last year and the Bible one of your ladies gave my wife, I read it all the way through. I found the place where my wife wrote that she had accepted Christ.” (

He said, Preacher Bob I had a real problem with profanity. The words slipped out and I just couldn't seem to quit. I talked with a Christian friend of mine and he told me to turn the table on the devil and turn every curse word into a prayer. Every time I cursed, he said I should pray right then and ask God to forgive me and help me to stop doing it.” Then with a smile as bright as heaven he said, “Preacher Bob, I CAN'T REMEMBER THE LAST TIME I SAID A BAD WORD.”

Now, folks, he is a baby Christian, but he is right where he is supposed to be in his growth process. In fact, he is way ahead any of us in the church who have been saved for years and have settled down into mediocrity, satisfied with who we are.

He took his stand in victory at this point, in that area. The battle will rage for him and for us as long as we live. There will always be another sin to conquer, but we can go from victory to victory when every sin we commit leads us to pray instantly.

AIM
