

Heart to Heart Conversations

First Kiss: Do you remember your first kiss?

What about your last pay check? If your paycheck isn't memorable anymore and you're sad every day when you say **Goodbye** to your kids and they say **Miss You** before you get into your car, **let's talk**. My business could be **For You!** You might not have thought of this before; I didn't, but after I saw **How Sweet** the marketing plan is, I said, **I'm Sure** this is for me. They said I didn't have to **Marry** my business, just **Date it** awhile. When I excitedly told my husband about the income possibilities with Mary Kay, he said, **"Get Real!"** He said I must have had a **Dream**. He was right; this is my **Dream** job! Now when I leave to go to work, I have a **Smile** on my face and when I get home, it's even bigger because I meet **Awesome** women like you! In fact, to give you the best service, you can **Write Me, Call Me, or Text Me**. Better yet, **Ask Me** today how my business can become the **heart** of your home. I would **Love** to tell you!
