Nathan Eckert

Dear Business Owner,

We are writing to you on behalf of Nathan Eckert, a 22-year old from Batavia, Ohio, who suffered an unexpected severe anoxic brain injury in June 2021.

A year ago, doctors did not expect Nathan to improve to ever have quality of life at any level. Against all odds, with the assistance of his family, friends and community, Nathan astounds everyone with his recovery thus far. From the beginning, those who loved him had an overwhelmingly positive attitude that he would come back to us. To this day, Nathan continues to carry that outlook on the road to recovery. He has gained once impossible attributes, such as eating, speaking, walking and reclaiming his original personality and memory.

Despite Nathan's shockingly advanced recovery, the cost of medical care and charges related to relearning skills that lead to living independently in the future is exorbitant and continues to remain heavily burdensome for his family.

Family and friends have organized a golf scramble to raise funds for said medical bills and his mother's loss of income, due to becoming his full time caregiver. The event will have sponsors, raffles and prizes.

We are requesting donations from business owners, like yourself, to bring us closer to fulfilling the goal of waiving the financial burden from Nathan and his family. The community, including businesses and individuals, are coming together to promote these events and are eager to see them succeed.

You can become a part of this in different ways:

- **Donation of goods or services:** donating goods or services that can be raffled off or given as prizes to the players. Your business name will also be listed on the website and signage at the events.
- **Donation of services to the event organizers:** donating your business services to organize the event. i.e. donating custom signage for the event. Your business info will also be listed on the website and signage at the events.

We greatly thank you for considering this opportunity to partner with us to help Nathan. For more information about Nathan or the event, to donate to the cause, or if you have any additional questions, please see our contact information listed below.
