

Below I have compiled a list of all the uniforms that are required for each class. If you have any questions please feel free to reach out and I will get back to you as soon as possible. You can try sportspower here in town but I reccomened Energetiks online [https ://www.energetiks.com.au/](https://www.energetiks.com.au/) and purchase your own uniform. This is just a website I know and trust, but please feel free to get your uniform from any brand, as long as it is relatively similar to the pictures below.
