

You've taken trainings on ACE's & Toxic Stress and are wondering what's next?

Resilience Champion Workshop Series

In this series, your implementation team will participate in a six-workshop series, which helps translate and operationalize the key concepts of a trauma-informed approach in your unique organization. Together with your colleagues, you will develop a shared foundation, assess your setting, build specific goals and concrete steps to create and sustain a resilient culture.

SERIES 1: AUG. 31, SEPT. 14 & 28, OCT. 12 & 26

SERIES 2: OCT 5 & 19, NOV 2, 16 & 30

Cohorts will come together Dec. 14 for a joint capstone session

11 AM-12:30 PM, ONLINE

Origins Training & Consulting works to support leaders as they develop a trauma-informed approach within their organization or community. Sign up today and get started!

This workshop is free to participants and is paid for by the ACEs Aware Yolo County Trauma-Informed Network of Care
