## Did you know?

Orcas Village Store is conveniently located right at the dock of the ferry landing on Orcas Island. We offer you the BEST in deli selection, quality groceries and custom orders. For examples: Our turkey meat is fresh and roasted here, and our chicken breast is marinated and grilled here — all with no preservatives! We use bone-in ham, also cooked here for freshness. Our Dungeness crab is fresh — never frozen or canned. We use Albacore tuna for our tuna salad. For our Rueben sandwich, we use real corned beef, roasted here. Our sandwich spreads are house-made: Basil Pesto, Cranberry Sauce, Chipotle Mayo, Gorgonzola Cream, Cilantro Pesto, etc. Our cookie, scone, muffin and cupcake recipes are all OVS originals and are baked fresh, “from scratch”, daily.
