CANTERA EVENT STUDIO

EVENT VENUE

INFORMATION

HOW TO BOOK:

Once you have decided on a date and we have confirmed availability, we will ask for a \$150 security deposit to reserve your date. You will be provided a receipt for this deposit, and you will then have your contract emailed to you to review and sign.

DEPOSIT INFORMATION:

We ask for a \$150 security deposit to reserve your date and cover potential damages or extensive cleaning beyond what is normally expected. This is returned to you 3-7 days after your event once Cantera Event Studios verifies everything is in order in the space. Following your deposit and date being reserved, you will be given a receipt and be emailed your contract to sign. Deposit can be paid via Zelle, Cash, or Check. Because this deposit is refundable, it does NOT apply towards your total payment/balance.

TOTAL PAYMENT AND ADD-ON SERVICES:

Your TOTAL rental fee (\$700/\$850/\$1,250 depending on day) and any add-on costs such as decor, DJ, Food, etc is all due in full at least 2 weeks before your event. You may pay off your final balance before the 2 weeks and may give installments. Receipts are provided following any payments or deposit.

EXTENDED HOURS:

We offer hourly time extensions for your event at an additional cost. Please note, that our policy states that any event extending past the standard 12 AM rental time, automatically requires a security guard to be present at the event for an additional cost. A security guard may be provided even if your event ends at 12 AM for your own personal security.

Cost to extend your event 1 hour from 12 AM until 1:00 AM: \$100 extra

Cost to extend your event 2 hours from 12 AM until 2:00 AM: \$150.00 extra

Security Guard Fee: \$115.00 extra (4 hour minimum, this is an extra fee on top of the time extension cost)

CLEANING:

Cantera Event Studios takes care of the cleaning following your event. Cleaning is included in your rental cost. The only cleaning we ask of our guests is to collect any food waste and drink waste into the provided large trash cans that can be found inside the venue, in our storage closet. This is to prevent any smell, or pests in our space. Additional trash bags are provided for you, and should our trash cans fill up, you may leave additional trash bags inside our venue at the end of your event. NO dumping is allowed in the dumpster outside, as it doesn't belong to us.

Extensive cleaning beyond what is normally expected following an event may result in deductions or no security deposit return. Some examples of this may include: stains/scratches on walls, curtain stains or damage, unhygienic mess in the restrooms, excessive spills and stains on floors or table linens. Mops and brooms are available in the event of any spills for your safety. Our main goal is for you to enjoy an incredible event and celebrate, so we also ask that you take care of our space and encourage your guests to do the same. We ask that you please remember a space is being rented to you and other guests will enjoy use of it as well in the future.
