CANTERA EVENT STUDIO

EVENT VENUE

INFORMATION

CAPACITY:

Our venue comfortably sits 100 guests and our standard set up includes 12 guest tables and 100 chairs. Option to add an additional table and 10 chairs available at an additional cost and if guest is aware and okay with space being reduced in venue. Please note that although we offer a variety of services such as DJ, Decor, Photobooth, and additional tables and chairs, not all items may fit together in the space. Please be mindful of the size of our venue and your expectations of what items you will have for your event.

We can also remove tables and chairs at Customer's request for smaller events.

HOW TO BOOK:

Once you have decided on a date and we have confirmed availability, we will ask for a \$150 security deposit to reserve your date. You will be provided a receipt for this deposit, and you will then have your contract emailed to you to review and sign.

DEPOSIT INFORMATION:

We ask for a \$150 security deposit to reserve your date and cover potential damages or extensive cleaning beyond what is normally expected. This is returned to you 3-7 days after your event once Cantera Event Studios verifies everything is in order in the space. Following your deposit and date being reserved, you will be given a receipt and be emailed your contract to sign. Deposit can be paid via Zelle, Cash, or Check. Because this deposit is refundable, it does NOT apply towards your total payment/balance.

TOTAL PAYMENT AND ADD-ON SERVICES:

Your TOTAL rental fee (\$700/\$850/\$1,250 depending on day) and any add-on costs such as decor, DJ, etc is all due in full at least 2 weeks before your event. You may pay off your final balance before the 2 weeks and may give installments. Receipts are provided following any payments or deposit.

ADD-ON SERVICES:

Additional services such as Decor, Photobooths, DJ, etc all need time to coordinate and prepare so please inquire and book your services in a timely manner. Services added too soon to your event date may not be available due to time constraints. Additional services will require a deposit to reserve.

EXTENDED HOURS:

We offer hourly time extensions for your event at an additional cost. Please note, that our policy states that any event extending past the standard 12 AM rental time, automatically requires a security guard to be present at the event for an additional cost. A security guard may be provided even if your event ends at 12 AM for your own personal security.

Cost to extend your event 1 hour from 12 AM until 1:00 AM: \$100 extra

Cost to extend your event 2 hours from 12 AM until 2:00 AM: \$150.00 extra

Security Guard Fee: \$115.00 extra (4 hour minimum, this is an extra fee on top of the time extension cost)

START AND END TIMES OF RENTAL PERIOD:

Our standard hours for rental are from 2:00 PM-12:00 AM, however we do allow the option of shifting your hours depending on your needs. Unless otherwise agreed upon however, your rental will be from those hours meaning customer will be given access to enter the venue at 2:00 PM, and the venue is expected to be vacated by the ending time of 12:00 AM so breakdown and pickup of all items is recommended to start from before 12:00 AM. At your designated end time (ex: 12:00 AM), a member of the Cantera Event Studios team will arrive to close up, hence why we ask all breakdown has finished by then. We can allow a small grace period for venue to be vacated but if venue is vacated past 12:30 AM, an additional time extension fee will apply.

In the event that you decide to extend your event an additional hour or two the day of, we require enough notice to coordinate our time of arrival to close up the venue at the end of the event.

CLEANING:

Cantera Event Studios takes care of the cleaning following your event. Cleaning is included in your rental cost. The only cleaning we ask of our guests is to collect any food waste and drink waste into the provided large trash cans that can be found inside the venue, in our storage closet. This is to prevent any smell, or pests in our space. Additional trash bags are provided for you, and should our trash cans fill up, you may leave additional trash bags inside our venue at the end of your event. NO dumping is allowed in the dumpster outside, as it doesn't belong to us.

Extensive cleaning beyond what is normally expected following an event may result in deductions or no security deposit return. Some examples of this may include: stains/scratches on walls, curtain stains or damage, unhygienic mess in the restrooms, excessive spills and stains on floors or table linens. Mops and brooms are available in the event of any spills for your safety. Our main goal is for you to enjoy an incredible event and celebrate, so we also ask that you take care of our space and encourage your guests to do the same. We ask that you please remember a space is being rented to you and other guests will enjoy use of it as well in the future.
