

COVID 19 / SOCIAL DISTANCING CODE OF CONDUCT

Achieve Arts Parents to comply with this Code of Conduct whilst attending the setting

PERSONAL DELCARATION

- To my knowledge my child and I have no symptoms and are fit and healthy to attend the setting
- My child and I are not classed as a vulnerable person (*by virtue of age, underlying health conditions, clinical condition*)
- We are not living with someone who is in self-isolation or who is a vulnerable person
- If my child or anyone in our household develop any symptoms (*high temperature, persistent cough, change or loss of taste or smell*) we will notify Management, self-isolate and seek medical advice

ACHIEVE ARTS RULES DECLARATION

- I will use the handwashing stations before and after entering and leaving the setting
- I will adhere to social distancing at all times. If required I will wait in my car until adequate space is available for drop off/collection.
- I will maintain a 2m distance between myself and all other staff, parents and children.
- I will drop off and collect my child at allocated doors.
- Where possible, I will limit drop off and collection to 1 adult per family and if appropriate allow my child to walk independently to a member of staff on arrival and not to access the building.
- I understand that only children and parents who are symptom free or have completed the required isolation period can attend the setting.
- I agree, it is reasonable to be asked if myself, my children or any member of my household have any of the symptoms of COVID-19 (high temperature, persistent cough or loss or change to your sense of smell or taste). If the answer is yes, then I understand I will not be allowed to leave my child at the setting. I understand my child cannot return until a negative test result has been confirmed or current isolation guidelines followed.
- I understand that if my child begins displaying a continuous cough or a high temperature when at the setting, they will need to be collected immediately to isolate at home per the guidelines. I will ensure I am contactable at all times and/or provide additional contact details.
- I will where possible walk or use my own transport to workshops. I will avoid all non-essential public transport travel and I will follow national guidelines for social interaction outside of Achieve Arts settings.
- I will notify management if I witness anyone not complying with the rules and procedures.

By signing the declaration below I fully understand what is expected of me when attending the setting and I will abide by all rules and procedures.
