

Make a Difference In the Garden

Things You Can Do In the Garden:

1. Create a rain garden.
2. Create a butterfly garden.
3. Plant more plants, shrubs & trees.
4. Grow your own fruit & vegetables
5. Install artificial grass
6. Make a compost bin
7. Make a water barrel rain catcher
8. Avoid spilling gasoline.
9. Use electric garden tools.
10. Properly adjust irrigation systems.
11. Choose low water or native plants
12. Use compost and mulch instead of fertilizers
13. Minimize pesticides and fertilizers
14. Clean up spills and learn how to discard waste correctly
