The night was a brilliant success, so they decided to hold it again, however this time in honour of his birthday beginning the tradition we still enjoy to this day.

Farewell to the Highlands

*Farewell to the Highlands, farewell to the north,
The birth-place of Valour, the country of Worth;
Wherever I wander, wherever I rove,
The hills of the Highlands for ever I love.*

*My heart's in the Highlands, my heart is not here;
My heart's in the Highlands, a-chasing the deer;
A-chasing the wild-deer and following the roe,
My heart's in the Highlands, wherever I go.*

*Farewell to the mountains high-cover'd with snow;
Farewell to the straths and green vallies below;
Farewell to the forests and wild-hanging woods;
Farewell to the torrents and loud-pouring floods.*
