## IT'S ALL ABOUT THE TONIC

November is definitely going to be an exciting month at Caffè Grande Abaco. We are delighted to announce the launch of our partnership with a brand-new tonic collection from London Essence. Founded in 1896 **THE LONDON ESSENCE COMPANY** developed a knowledge and expertise creating exquisite essences for leading perfume houses of the era. By applying these secrets to the food and drink world, they used the **science of distillation** and the art of layering' flavours, to create natural essences with unmatched **depth of flavour** and complexity. They are delicately light and **low in calories**, with only naturally sourced sweetness and no more than **20 calories per 100ml!** The result is a **more sophisticated** flavour profile that allows the distinct notes of whichever spirit you put with it to shine through. Give it a try, we know you'll love it.

## REMEMBRANCE SUNDAY

November brings much to celebrate and of course to remember, we will be ever thankful and of course be observing the 2 minutes silence. Lest we forget.

THEY SHALL GROW NOT OLD

*They shall grow not old,  
as we that are left grow old:  
Age shall not weary them,  
nor the years condemn.  
At the going down of the sun  
and in the morning.  
We will remember them.*
