Vaccinations: It is required that your pet is up to date on all vaccinations, however, we only require proof of rabies. We do not accept tags as proof as they do not have the due date on them. You must wait 48 hours post-vaccination for services. Special circumstances will be taken into consideration.

Fleas, Ticks, & Other Parasites: All pets are required to be on preventatives for all parasites. Groovy Grooms By Angie does not provide flea and tick treatment or deworming medications. If fleas are found on your pet, it is our policy to give a flea and tick bath immediately at an additional cost of \$15-\$30. If it is discovered that your pet has any type of contagious skin issue, disease, fungus, or worms you will be required to pick up immediately. A signed letter from your veterinarian clearing the pet for grooming will be required before your next appointment.

Pets in heat, Pregnant, & Nursing: Groovy Grooms By Angie does not groom pets who are in heat, pregnant, or nursing for your pet's safety. In addition, any animal that has recently been spayed/neutered must wait a minimum of two weeks after surgery before grooming.

Pre-shaving: If your dog's coat is matted to the point where he/she has to be shaved before the bath a fee of \$30 – \$50 will be applied to your bill. Pre-shaving is done with caution but may cause bruising or cuts depending on the condition of pets coat. Treatments for injuries caused by pre-shaving are the clients responsibility.

Dirty bum fee: If your dogs rear end has to be shaved due to an excessive amount of poop, an additional \$15 will be added to your overall cost for grooming.

Travel fee: If you live outside of the St.Marys County an additional \$10-\$15 will be added to your overall grooming bill.

A copy of this consent form will be provided at your pets first appointment with Groovy Grooms By Angie. A new form will need to be signed every year your pet remains a client of Groovy Grooms By Angie. By signing this form you acknowledge and agree to all risk and fees associated with having your pet groomed with Groovy Grooms By Angie. Thank you for your support and understanding.
