

Financial Literacy - Orange

Teacher Name: Latoya Scott

Class Cost: \$15.00

Class Size: 18

Age Served: Orange

Prerequisites (if any): Students should know how to multiply, divide, and work with fractions and percentages. We will be working with plenty of numbers. There will be a couple of fun online games to play for this class to reinforce concepts taught during class.

Class Description: In this financial literacy class, we will discuss ALL things budgeting with a focus on consumer finance. Students will learn how to create a bare-bones budget that covers basic necessities and savings goals using budgeting games and simulation activities. We will also learn how to pay bills, perform occupational research, plan a vacation and more!

Week 1: Let's Talk Budgets, Credit, and Debit (and Play The Jelly Bean Game)

Week 6: Let's Plan A Vacation (Group Project) Week 2

Week 2: Let's Work on a Budget (Budget Scenario Activity)

Week 7: Cost of Living

Week 3: Checkbooks, Paystubs, and Paychecks (Activity)

Week 8: Let's Talk Emergencies!

Week 4: Let's Pay The Bills (Bill Payment Simulation Activity)

Week 9: Hey, you, Consumer! (All things Consumer Math)

Week 5: Let's Plan A Vacation (Group Project) Week 1

Week 10: Let's Talk Assets and Liabilities!

Week 11: How to Build Your Teen Budget

Week 12: Budgeting Game for Kids and Teen Budget Wrap Up
