Class Description: Developing ninjas in our classroom to go out into the world to make an impactful difference no matter where they go! We will be using the Ninjas Life Hacks curriculum to help the kids, secret ninjas, to grow in their self esteem and confidence, learning about their feelings and emotions & how to work through them, to learn about the importance of community (friendship) and trusting them, and to grow in life skills as a ninja!

Throughout the semester, your kid will grow their ninja skills from the help of 12 amazing ninjas, ending the semester with a project for Earth Ninja to celebrate Earth Day!
