

World Geography

Teacher Name: Julie Gruber

Class Size: 18

Class Cost: \$7

Ages served: Blue

Prerequisites (if any): None

Class Description: Each week we will focus on a craft. Prior to the craft we'll watch a short video about the country. I'll play music from the country of the week while they work on the crafts. I'll also be covering interesting facts about the location in general along with how the chosen craft relates to each location.

Week 1: Reviewing the globe and creating a balloon globe. Simply coloring, labeling, and attaching them in the right areas on blue balloons.

Week 2: Africa- start to create a 3d salt dough map of the landscape of africa. I'll take them home to dry.

Week 3: Africa- use paint to complete the landscape.

Week 4: Australia- recreate own version of aboriginal inspired art

Week 5: Antarctica- stem project to create their own igloo using toothpicks, cotton balls, white paper, and glue.

Week 6: Japan-cherry tree painting

Week 7: Russia- faberege egg craft

Week 8: India- sand painting

Week 9: South america- Peru cardboard woven llama

Week 10: Easter Islands- recreate Moai Statues (clay)

Week 11: Poland- Wycinanki folk art

Week 12: Norway- northern lights using chalk pastels
