

# Spay/Neuter Agreement

Permanent ownership of this dog is contingent upon your compliance with this Addendum. The dog listed below will be spayed/neutered within 12 months of the buyer procuring the puppy. Proof of the spay/neuter must be received by the **Lucky's Legacy** within fourteen (14) days after the surgery within the 12 month window. In the event that the dog's health does not allow this agreement to be honored, **Lucky's Legacy** must be provided with a statement from your veterinarian that this dog is not yet in physical or emotional condition for surgery.

If the dog has an impediment preventing it from receiving the surgery in the allotted time frame based upon the veterinarian's evaluation, the buyer listed below (hereinafter referred to only as "the Buyer") will contact the veterinarian and establish the earliest date that the procedure can be performed at which time all other conditions of this agreement will apply and be enforced. It is the responsibility of the buyer, not the veterinarian, to ensure that **Lucky's Legacy** has received verification that the surgery has been performed.

Failure to comply with this agreement by the date below, unless otherwise agreed to in writing, will be considered a breach of the Contract, and the buyer will transport this dog back to **Lucky's Legacy** and will not be entitled to a refund.

By my signature below, I agree to have this dog spayed/neutered by no later than \_\_\_\_\_, and I understand that this spay/neuter agreement is an agreement that this dog will not produce a litter of puppies either by purposeful breeding or by accidental breeding. I also agree that should the puppy not be altered that I will return said puppy back to Lucky's Legacy with no expectation of a refund.
