Workshop-Style Training
March 14, 2022 8:30a - 4:00p CST
Location: Virtual via Zoom

Stop chasing temporary compliance and start building skills & resilience!!!

Who should attend?

- ✓ Educators, Childcare and Mental Health Providers
- ✓ Parents, Caregivers & Advocates

What will I learn?

- ✓ **Strategies** for looking deeper, beyond what a child is trying to “get or avoid”, to assess the underlying skills that need to be built
- ✓ **Comparisons** of how brain-based, skill-focused FBA's & BSP's more effectively address the impacts of trauma than traditional models
- ✓ **Processes** to assess and plan proactive regulation as part of a plan to help a child become more accessible for intervention
- ✓ **Strategies** for intervention components of the FBA and BSP to ensure that the brain can tolerate and grow from the experience
- ✓ **Application** of how to take the information learned and create successful and effective Behavior Support Plans
