

# Helping the Behaviorally Challenging Child

## Collaborative Problem Solving®(CPS)\* Trainings

### The CPS\* Approach

- Learn the Collaborative Problem Solving®(CPS) approach & effective ways to reduce adult | child conflicts
- Learn the profile of children who learn differently and are differently wired
- Build skills & confidence using a relational | collaborative approach
- Develop a new understanding of challenging behaviors & learn ways to help children, youth and young adults with a neurodiverse affirming lens
- Rethink conventional approaches to behavioral difficulties and strengthen relationships
- Network & learn information about community resources

\*The Collaborative Problem Solving®(CPS) approach is owned and developed by Think:Kids ([www.thinkkids.org](http://www.thinkkids.org)), a program based in the Department of Psychiatry at Massachusetts General Hospital(MGH) in Boston, MA.
