What would Jet Membership look like if you BUILT it?

Aviation meets Innovation.

**BUILD-A-CARD MEMBERSHIP** With the purchase of your Magellan Jets Membership, you have instant access to choose features based on your needs, not just the industry standards. We invite you to customize a Membership specific to you. Welcome to the convenience of jet ownership without the headaches of jet ownership. The world's most innovative solution to private aviation.

Your travel Flight Support and Compliance team handles intensive safety due diligence so you don't have to. When you treat your private travel to Magellan Jets you have exclusive access to the world's safest aircraft and most qualified flight crews.

Because Magellan Jets does not own or operate aircraft, we recommend the best personal aircraft on each and every airline for our clients. We take great pride in providing the best value to our clients using our thinking and making the right connections. Magellan Jets is not an IATA member. All operations are done by IATA member airlines. All aircraft are operated by IATA member airlines. All aircraft are operated by IATA member airlines. All aircraft are operated by IATA member airlines.

What would a Jet Card Membership look like if you designed it?

Aviation meets innovation.

**BUILD-A-CARD MEMBERSHIP** We've revolutionized the cardmember experience, and now we've revolutionized the buying process. When you purchase your jet card with Magellan Jets, you've invited to choose features based on your needs, not the industry standard. We invite you to Build-a-Card that's right for you. Simply select the type of card, number of hours, and features that are important to you and you'll be ready to enjoy the benefits of ownership without the headaches!
