

# THE BARN BOXING & FITNESS LTD INDIVIDUAL MEMBERSHIP POLICY & MEDICAL INFO

## <u>CONFIDENTIAL – The details recorded in this document are solely</u> for H&S reasons and to ensure quality of service throughout your <u>time at The Barn</u>

Dear MEMBER,

On behalf of The Barn Boxing & Fitness, I would like to welcome you to the club and provide you with some information about our activities. The club provides boxing & fitness opportunities for young people from the age of 7 to adults to receive coaching and competition. All coaching is by qualified England Boxing and coaches who are trained and have been screened for their suitability for working with young & vulnerable people. We also offer the use of our facilities to members and pay as you go clients who wish to train independently or receive 1:1 private coaching outside of boxing.

The club is proud to be recognised by Sport England's Clubmark, which is awarded to clubs by the England Boxing when the club is able to demonstrate that it meets the England Boxings club accreditation programme criteria as to boxing programme; child protection; sports equity and ethics and club management. Clubmark is an acknowledgement that we take these issues seriously and that we are striving to provide a high quality and welcoming environment for all participants in the sport.

This club has adopted and abides by the England Boxing Child Protection Policy and the ABAE Equity Policy. Both documents can be viewed/ downloaded on the England Boxing website at www.englandboxing.org. We welcome parents to all training and competitions and value your support.

Below is some information about adult training times and dates. At the time of this letter, boxing training sessions take place on *MONDAY* & *THURSDAY* at 19.00 at *The Barn Boxing* & *Fitness, OX18 2SP. Additional sparring or technical sessions are arranged and participation is by invite only.* 

Arrangements should be made for you to travel to and from training sessions. We appreciate it if participants can arrive promptly and leave promptly at the end of the session. The club has a class fee of  $\pounds 7.50$ /session and this should be paid on the

day of the class. Membership options are available – at the time of this letter, membership costs  $\pounds$ 50 per month and should be paid on 1<sup>st</sup> of the month.

We would be grateful if you could complete the attached club membership form. For your and other members safety it is important that the club is informed of any medical condition or allergies that may be relevant should you fall ill or be involved in an accident while at the club. We aim to include all participants equally in our sessions – if there is any additional information which would be helpful in understanding how best to ensure you enjoy your time safely at The Barn, please disclose this on the form below.

If you would like to talk to someone at the club about this information or your involvement with the club, please contact Tom Brennan on the contact number above.

We thank you for your cooperation and look forward to meeting you at some point in the future.

Yours sincerely,

Harriet Brennan

Please read the questions below carefully and answer each one	YES/NO – Give Details if YES
honestly (check YES or NO):	
Has your doctor ever said that you have a heart condition <b>OR</b> high blood	
pressure?	

Do you feel pain in your chest at rest, during your daily activities of living, <b>OR</b> when you do physical activity? Do you lose balance because of dizziness <b>OR</b> have you lost consciousness in the last 12 months? Please answer <b>NO</b> if your dizziness was associated with over-breathing (including during vigorous exercise). Have you ever been diagnosed with another chronic medical condition (other than heart disease or high blood pressure)? Are you currently taking prescribed medications for a medical condition? Do you have a bone or joint problem that could be made worse by becoming more physically active? Please answer <b>NO</b> if you had a joint problem in the past, but it does not limit your current ability to be physically active. For example, knee, ankle, shoulder or other. Has your doctor ever said that you should only do medically supervised physical activity? Are you aware of any serious communicable diseases you carry? This is an important consideration when participating in contact aspects of boxing – saliva, blood and sweat are potential risks for other participants. Do you declare a disability? If yes, please provide any relevant information or special assistance or support you may require during your time at The Barn.

If you answered YES to one or more questions: You should consult with your doctor to clarify that it is safe for you to become physically active at this current time and in your current state of health. You must inform and seek guidance from your Doctor that the training at The Barn includes full contact sparring & high intensity work.

If you answered NO to one or more questions: It is reasonably safe for you to participate in physical activity, gradually building up from your current ability level. A fitness appraisal can help determine your ability levels.

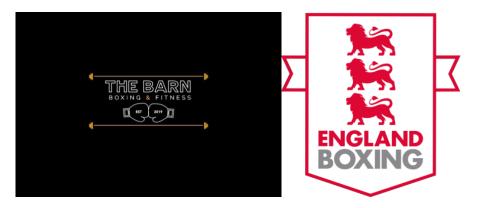

I have read, understood and accurately completed this questionnaire. I confirm that I am voluntarily engaging in an acceptable level of exercise, and my participation involves a risk of injury. When using the facilities at The Barn, whether in a group or independently, I will be sure to avoid any risk of injury or damage to myself, others and equipment wherever reasonably possible. When training alone I will provide my own means of calling services in the event of an emergency. I understand that I may be alone in The Barn during independent sessions & accept the responsibility of my own welfare at all times.

#### RULES FOR MEMBERS

The Barn Boxing & Fitness Ltd is fully committed to safeguarding and promoting the wellbeing of all its members. The club believes that it is important that members, coaches, administrators and parents associated with the club should, at all times, show respect and understanding for the safety and welfare of others. Therefore, members are encouraged to be open at all times and to share any concerns or complaints that they may have about any aspect of the club with *our Welfare Officer, Jonny Harris.* 

As a member of *The Barn Boxing* & *Fitness* you are expected to abide by the following code of conduct:

All members must act within the rules and respect officials and their decisions.

All members must respect the rights, dignity and worth of all participants regardless of gender, ability, cultural background or religion.

Members should keep to agreed timings for training and competitions or inform their coach or team manager if they are going to be late.

Guests to the gym must be declared to Tom or Harriet & must pay £7.50/session when accompanying a member.

Members must wear suitable kit – (comfortable training clothes, clean trainers or boxing boots, boxing gloves, handwraps, headguards and gumshield for contact work) – for training and competition sessions, as agreed with the coach/team manager.

Members must pay any fees for training or events promptly.

Any contact drills or sparring MUST be supervised by a qualified England Boxing Coach L2. If the L2 Coach is not one of The Barn Coaches, written permission must be obtained from Tom Brennan or Harriet Brennan. Anybody who participates in contact boxing without supervision will have membership & training benefits revoked effective immediately and indefinitely.

Members are not allowed to smoke on club premises or whilst representing the club at competitions.

Members are not allowed to consume alcohol or drugs of any kind on the club premises or whilst representing the club.

As an Individual Member of The Barn Boxing & Fitness, you agree not to act against the interests of The Barn Boxing & Fitness or the sport of boxing and not to harm the reputation of The Barn Boxing & Fitness or the sport of boxing in any way.

Any injury or illness you may encounter during your time in a class or at the gym must be reported to the owner or person running the class.
