

THE BARN BOXING & FITNESS LTD INDIVIDUAL MEMBERSHIP POLICY & MEDICAL INFO

<u>CONFIDENTIAL – The details recorded in this document are solely</u> for H&S reasons and to ensure quality of service throughout your <u>time at The Barn</u>

Dear PARENT/CARER,

On behalf of The Barn Boxing & Fitness, I would like to welcome your child to the club and provide you with some information about our activities. The club provides boxing opportunities for young people from the age of 7 to adults to receive coaching and competition. All coaching is by qualified England Boxing coaches who are trained and have been screened for their suitability for working with young people.

The club has been awarded Sport England's Clubmark, which is awarded to clubs by the England Boxing when the club is able to demonstrate that it meets the England Boxings club accreditation programme criteria as to boxing programme; child protection; sports equity and ethics and club management. Clubmark is an acknowledgement that we take these issues seriously and that we are striving to provide a high quality and welcoming environment for young participants in the sport.

This club has adopted and abides by the England Boxing Child Protection Policy and the ABAE Equity Policy. Both documents can be viewed/ downloaded on the England Boxing website at www.englandboxing.org. We welcome parents to all training and competitions and value your support.

We are keen to try and involve parents in the club. Below is some information about training times and dates for Junior Members. At the time of this letter, training sessions take place on MONDAY & FRIDAY at 17.05 at The Barn Boxing & Fitness, OX18 2SP for children aged 7-12 years old (from 1st July 2022) & MONDAY & THURSDAY, 1900 for participants aged 13+.

Arrangements should be made for your child to travel to and from training sessions. We appreciate it if children can arrive promptly and are collected promptly at the end of the session, if they are not making their own way home. If you are going to be late picking your child up, please contact *Tom Brennan* on 0785253447 and let him

know. The club has a small class fee of ± 5.00 /session and this should be paid on the day of the class.

We would be grateful if you could complete the attached junior club membership form. For the safety of your child it is important that the club is informed of any medical condition or allergies that may be relevant should your child fall ill or be involved in an accident while at the club. We aim to include all participants equally in our sessions – if there is any additional information which would be helpful in understanding how best to ensure your child enjoys their time safely at The Barn, please disclose this on the form below.

If you would like to talk to someone at the club about this information or your child's involvement with the club, please contact Tom Brennan on the contact number above.

We thank you for your cooperation and look forward to meeting you at some point in the future.

Yours sincerely,

Harriet Healey

<u>If you answered NO to one or more questions</u>: It is reasonably safe for you to participate in physical activity, gradually building up from your current ability level. A fitness appraisal can help determine your ability levels.

I have read, understood and accurately completed this questionnaire. I confirm that I am voluntarily engaging in an acceptable level of exercise, and my participation involves a risk of injury.
