WELCOME!! Martial Arts Friends & Families!!

Last years tournament was so much fun and I am beyond excited for this year!! Some of you know, I started hosting tournaments at the age of 22, one of the youngest promoters of national competition in the country. Why? Because I grew up competing at tournaments since the age of 7 and as I got older, I looked at the martial arts tournaments and thought...“We can do better”. Yes, I am the promoter, but I also like to think I am the biggest fan out there and design and execute every tournament with competitors and families interests in mind.

This is a perfect event for newbies to try their hand at competition!! This is a beginner-friendly tournament. This tournament will be timely, it will be professional and it will be run with well trained and hand-picked judges. I will supply beautiful awards and supply podiums for that ‘Olympic feel’ and photo op.

This event will be conducted with the utmost respect to providing a positive experience for all who attend. We have gorgeous Gold, Silver & Bronze medals!! This is a ‘Win or Learn’ event. Please plan ahead, plan to train more!
