THE 3 STUDENTS WHO RAISE THE MOST MONEY WILL WIN ONE OF THESE PRIZES!

1 YEAR OF ITALIAN ICE!

1 YEAR OF MOVIE TICKETS!

\$300 CANDY SHOPPING SPREE!

The Kick-a-thon that we are hosting on September 28, 2024 here at the Academy, is to help raise money for the Cole "Little Man" Moser Scholarship. Cole was one of our shining little stars in the Mighty-Mite Program that sadly passed away on January 29, 2023.

Andy & Sheena Moser walked into Ellixson's Tae Kwon Do Academy July 20, 2020. They would always thank us for helping and working with Cole, but we were the ones that were thankful that they walked into our School. Cole was a bit intimidated and hesitant when he first started taking classes. Once he warmed up to Mr. Gonzalez, we all watched as Cole found his passion, Tae Kwon Do. He was tiny and shy but his smile lit up the room. He wore the smallest uniform we have here, but he wore it with such pride. He worked so hard in the Lil Dragons, listened and followed instructions, was sooo respectful..... We all just loved Cole and loved working with Cole through his martial arts Journey. As it goes, Cole got older and moved to the Mighty-Mites Program where he earned his Gold Belt. Cole received our prestigious 'Lil Dragon of the Year Award' for 2021 and then 'Mighty-Mite Best Attendance' for 2022.

Cole loved his Mommy & Daddy, they are amazing parents and he did everything with them. From the times he could walk, Cole could be seen in the garden with mom & dad and being daddy's helper while setting off fireworks. He enjoyed playing video games, legos and going to demolition derby's and monster truck shows. Cole 'Little Man' Moser's memory will live on in our hearts and the scholarship here at the Academy for years to come.
