

# ACWLC Newsletter

November 2025

The Ashe County Wildlife Club is re-launching its newsletter starting with this issue in order to give members a chance to share their sporting accomplishments, share Club news, and remind members of upcoming events. It will be distributed by e-mail and then archived on the ACWLC.org website with a page dedicated to the newsletter. Sensitive financial news will not be included in the newsletter. Monthly budget and board meeting reports will be distributed by e-mail – but not archived along with the newsletter.

Part of the reason for that is our web-hosting company, Godaddy, does not allow private pages to be accessed by a password.

Remember that the Club maintains a website: ACWLC.org which includes the calendar, range rules, etc., and a Facebook page - <https://www.facebook.com/groups/178190332358070>. Anyone can join the Facebook page to see what our events are.

ACWLC Christmas Party will be Saturday, Dec. 13. Gather at 5:00 p.m. Eating will start at 6:00 p.m. Wayne Henderson and Friends will provide the entertainment. (Three of his friends are ACWLC members. ) Bring a side dish or dessert. The meat will be prime rib cooked on site by our members.

## Gun-A-Month Tickets for 2026 Are Available

Bring cash to the party. The Gun-A-Month

Drawing tickets for 2026 will be available for sale. This is the Club's primary fund raiser each year.

*Ten years ago ACWLC won a \$4,500 range improvement grant from the NRA. We bought the Pistol Range storage shed.*

Here's a look at what The Club House looked like after it was finished from the unfinished 300-yard rifle range. It took several years of fund-raising and generous donations of time, fuel, equipment, and labor from some of our members to turn the property into what it is today.
