

WINGSPAN

From the State Worthy President:

Hi Eagle family,

I am honored to be your State President again. I'm looking forward to working with all of you, including Elaine and our sisters in the Auxiliary, on our new State Project Huntsman Health mental Institute and the many projects that you support in your communities.

This is going to be a fun filled and exciting year for all us. Working together to achieve our goals and to help reach out to the community of the countless people that we will touching to help their lives and improve the outcome of their lives and their family's as well. Your commitment and contributions do not go unnoticed of being a part of this Eagle family. I am sure we will make this a great year.

Fraternally

Marion Bradford

A Year of Service and Gratitude – Reflections as State Project Chairman

As I reflect on my journey that began in May 2024 as your State Project Chairman, I am filled with pride, gratitude, and deep appreciation. I was honored with the task of coordinating efforts and raising funds for the State Worthy President and State Madam President's chosen charity—the Huntsman Cancer Institute. What began as a challenge quickly turned into a rewarding experience, one filled with learning, collaboration, and purpose.

Working alongside the dedicated representatives of Huntsman Cancer was truly inspiring. Their passion and commitment made every step of this journey more meaningful. Coordinating fundraising efforts with my local aerie and across the state was not only fruitful—it was a testament to what we can achieve when we work together for a cause greater than ourselves. I want to extend my heartfelt thanks to the following groups for their outstanding contributions:

- Murray – \$12,661 raised
- Cache Valley and Brandon Buttars – \$7,774 raised
- Ogden – \$3,280 raised
- Box Elder – \$2,105 raised

To all the other members of our Aerie and Auxiliary who contributed their time, energy, and generosity—thank you. Every dollar, every hour, every effort mattered.

A special thanks goes to Linda Totten from the Auxiliary. It has been a pleasure to work alongside her throughout this journey. Her leadership was instrumental in the success of our State Convention, and the Auxiliary's tireless work—selling raffle tickets and managing countless details—truly brought our campaign to life. I cannot express enough how grateful I am for their dedication.

Beyond financial contributions, your generosity of spirit continued in other meaningful ways. Together, we created and donated 2,200 rice bags and 1,900 hats to Huntsman Cancer. With receipts provided, these contributions represent an estimated \$42,500 in material value—a remarkable achievement by any measure.

Thank you all for the incredible opportunity to serve in this role. It has been one of the most fulfilling chapters of my service. I look forward to the future we are building together—one where community, compassion, and camaraderie continue to thrive.

Let's keep this momentum going and continue to live by our Eagles' motto: "People Helping People." You've proven this year that we truly are the best in the West.

With sincere appreciation,

Andrew Anderson

2024 - 2025 State Project Chairman
