

CHECKROCK LEAGUE

SPONSORSHIP PACKAGES
2023

Every year CheckRock League is about expansion “Communities Building Communities” believing that surrounding small businesses and entrepreneurs have major impact within the area, especially positive influence for the future. CheckRock League was created for that very reason, being a positive stable in the community for our youth, our future leaders of tomorrow.

Every summer CheckRock League, Girls Run It, and “Out Of Your League” becomes that major platform for many athletes after travel ball and great exposure for our team sponsors networking within the league connecting the dots. We want all athletes to learn about who they’re playing for, and looking for some insight “life after sports”. Becoming a team sponsor under the CheckRock League umbrella opens up another network we want everyone to take full advantage and gain from.

Overall CheckRock League holds a potential of (540) student-athletes between all (3) summer invitational leagues, each league holds (18) teams with the potential roster of (10) players each. Operating (4) days out the week at The Chase Field House in Wilmington, Delaware, the networking opportunities are limitless while enjoying the show.

We believe in “Communities Building Communities” and “It’s Bigger Than Basketball”. All of our past and current team sponsors connect with the players and have built friendships & bonds beyond the basketball court.

CheckRock appreciates all community leaders, small business owners, entrepreneurs, other corporations & more for their continued support.

If you would like to become a team sponsor for CheckRock League please contact us by email:
checkrockleague@gmail.com (via email).

Every Team Sponsor/Coach will get a draft list of players for the league. Each team will be able to draft (10) players for their team in the order of the draft. There will be potentially (180) available players listed and participating in CheckRock League.

Live Stream Draft:
