

WITH A LITTLE HELP FROM MY FRIENDS

What would you think if I sang out of tune
Would you stand up and walk out on me
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

Oh I get by with a little help from my friends
Mm I get high with a little help from my friends
Mm I'm going to try with a little help from my friends

Do you need anybody
I need somebody to love
Could it be anybody
I want somebody to love

YOU'RE MY BEST FRIEND

Ooh you make me live
Whatever this world can give to me
It's you you're all I see
Ooh you make me live now honey

Ooh you make me live
Oh you're the best friend that I ever had

I've been with you such a long time
You're my sunshine
And I want you to know that my feelings are true
I really love you

Oh you're my best friend

ANYTIME YOU NEED A FRIEND

If you're lonely and need a friend
And troubles seem like they never end
Just remember to keep the faith
And love will be there to light the way

Anytime you need a friend
I will be here
You'll never be alone again
So don't you fear
Even if your miles away
I'm by your side
So don't you ever be lonely
Love will make it alright

FRIEND OF THE DEVIL

I lit out from Reno
I was trailed by twenty hounds
Didn't get to sleep that night
Till the morning came around

Set out runnin' but I take my time
A friend of the devil is a friend of mine
If I get home before daylight
I just might get some sleep tonight

I ran into the devil baby
He loaned me twenty bills
I spent the night in Utah in a cave
Up in the hills

Set out runnin' but I take my time
A friend of the devil is a friend of mine
If I get home before daylight
I just might get some sleep tonight

MY FRIENDS

My friends are so depressed
I feel the question of your loneliness
Confide cause I'll be on your side
You know I will
You know I will

Ex-girlfriend called me

Alone and desperate on the prison phone
They want to give her seven years
For being sad

I love all of you
Hurt by the cold
So hard and lonely too
When you don't know yourself

WE ARE GONNA BE FRIENDS

Fall is here
Give a yell
Back to school
Ring the bell

Brand new shoes
Walking blues
Climb the fence
Books and pens

I can tell that we are gonna be friends
Yes, I can tell that we are gonna be friends

I'LL BE THERE FOR YOU

So no one told you life was gonna be this way
Your job's a joke you're broke your love life's DOA
It's like you're always stuck in second gear
Well it hasn't been your day your week your month or even your year

I'll be there for you when the rain starts to pour
I'll be there for you like I've been there before
I'll be there for you cause you're there for me too

THAT'S WHAT FRIENDS ARE FOR

And I never thought I'd feel this way
And as far as I'm concerned I'm glad I got the chance to say
That I do believe I love you

And if I should ever go away
Well then close your eyes and try to feel the way we do today
And then if you can remember

Keep smiling keep shining
Knowing you can always count on me for sure
That's what friends are for
Good times and bad
I'll be on your side forevermore
That's what friends are for

YOU'VE GOT A FRIEND IN ME

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And your miles and miles from your nice warm bed
You just remember what your old pal said
Son you've got a friend in me
Yeah you've got a friend in me

FRIENDS IN LOW PLACES

Blame it all on my roots
I showed up in boots
And ruined your black tie affair

The last one to know
The last one to show
I was the last one you thought you'd see there

And I saw the surprise
And the fear in his eyes
When I took his glass of champagne

And I toasted you
Said honey we may be through
But you'll never hear me complain

Cause I've got friends in low places
Where the whiskey drowns and the beer chases my blues away
And I'll be okay

Yeah I'm not big on social graces
Think I'll slip on down to the oasis
Oh I've got friends in low places

YOU'VE GOT A FRIEND

When you're down and troubled
And you need a helping hand
And nothing whoa nothing is going right

Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

You just call out my name
And you know wherever I am
I'll come running oh yeah baby
To see you again

Winter Spring Summer or Fall
All you've got to do is call
And I'll be there yeah yeah yeah
You've got a friend
