

DAYDREAM BELIEVER

Oh I could hide 'neath the wings
Of the bluebird as she sings
The six o'clock alarm would never ring

But it rings and I rise
Wipe the sleep out of my eyes
My shaving razors cold and it stings

Cheer up sleepy Jean
Oh what can it mean
To a daydream believer
And a homecoming queen

ALL I HAVE TO DO IS DREAM

When I want you
In my arms
When I want you
And all your charms

Whenever I want you
All I have to do is dream
Dream dream dream

When I feel blue
In the night
And I need you
To hold me tight

Whenever I want you
All I have to do is dream

DREAMWEAVER

I've just closed my eyes again
Climbed aboard the Dream Weaver train
Driver take away my worries of today
And leave tomorrow behind

Ooh ooh dream weaver
I believe you can get me through the night

Ooh ooh dream weaver
I believe we can reach the morning light

DREAMLOVER

Do do do do do oh baby

I need a lover to give me
The kind of love that'll last always
I need somebody uplifting
To take me away babe oh yeah

I want a lover who knows me
Who understands how I feel inside
Someone to comfort and hold me
Through the long lonely nights till the dawn

Why don't you take me away

Dreamlover come rescue me
Take me up take me down
Take me anywhere you want to baby now

I need you so desperately
Won't you please come around
Cause I want to share forever with you baby

Do do do do do do do oh baby

SWEET DREAMS

Sweet dreams are made of this
Who am I to disagree
I travel the world and the seven seas
Everybody's looking for something

Some of them want to use you
Some of them want to get used by you
Some of them want to abuse you
Some of them want to be abused

Sweet dreams are made of this
Who am I to disagree
I travel the world and the seven seas
Everybody's looking for something

DREAMER

Dreamer you know you are a dreamer
Well can you put your hands in your head oh no
I said Dreamer you're nothing but a dreamer
Well can you put your hands in your head oh no

I said far out what a day a year a laugh it is
You know will you know you had it coming to you
Now there's not a lot I can do

Dreamer you stupid little Dreamer
So now you put your head in your hands oh no
Whoo

RUNNIN' DOWN A DREAM

It was a beautiful day
The sun beat down
I had the radio on
I was drivin'

The trees flew by
Me and Del were singin'
Little runaway
I was flying

Yeah running down a dream
That never would come to me
Working on a mystery

Going wherever it leads
Runnin' down a dream

DREAMING WITH A BROKEN HEART

When you're dreaming with a broken heart
The waking up is the hardest part
You roll out of bed and down on your knees
And for a moment you can hardly breathe

Wondering was she really here
Is she standing in my room
No she's not
Cause she's gone gone gone gone

When you're dreaming with a broken heart
The giving up is the hardest part
She takes you in with her crying eyes
Then all at once you have to say goodbye

Wondering could you stay my love
And will you wake up by my side
No she cant
Cause she's gone gone gone gone gone

DREAMS

Now here you go again
You say you want your freedom
Well who am I to keep you down

It's only right that you should play the way you feel it
But listen carefully to the sound of your loneliness

Like a heartbeat drives you mad
In the stillness of remembering what you had
And what you lost
And what you had
And what you lost

Oh thunder only happens when it's raining
Players only love you when they're playing
Say women they will come and they will go
When the rain washes you clean you'll know
You'll know

DREAMS

And get higher and higher
Straight up we'll climb
We'll get higher and higher
Leave it all behind

So baby dry your eyes
Save all the tears you've cried
Oh that's what dreams are made of

Cause we belong
In a world that must be strong
Oh that's what dreams are made of

DREAMS

Oh my life is changing every day
In every possible way
And oh my dreams it's never quite as it seems
Never quite as it seems

I know I've felt like this before
But now I'm feeling it even more
Because it came from you

And then I open up and see
The person falling here is me
A different way to be

DON'T DREAM IT'S OVER

There is freedom within
There is freedom without

Try to catch the deluge in a paper cup

There is a battle of head

Many battles are lost

But you'll never see the end of the road while you're traveling with me

Hey now hey now

Don't dream it's over

Hey now hey now

When the world comes in

They come they come

To build a wall between us

We know they won't win

BOULEVARD OF BROKEN DREAMS

I walk a lonely road

The only one that I have ever known

Don't know where it goes

But it's home to me and I walk alone

I walk this empty street

On the boulevard of broken dreams

Where the city sleeps

And I'm the only one and I walk alone

I walk alone I walk alone

I walk alone I walk a

My shadow's the only one that walks beside me

My shallow heart's the only thing that's beating

Sometimes I wish someone out there will find me

Til then I walk alone

DREAM ON

Every time that I look in the mirror

All these lines on my face gettin' clearer

The past is gone

It went by like dusk to dawn

Isn't that the way
Everybody's got their dues in life to pay

I know nobody knows
Where it comes and where it goes
I know it's everybody's sin
You got to lose to know how to win

Half my life's in books' written pages
Lived and learned from fools and from sages
You know it's true
All these things
Come back to you

Sing with me sing for the years
Sing for the laughter and sing for the tears
Sing with me if it's just for today
Maybe tomorrow the good Lord will take you away

Dream on dream on
Dream on dream yourself a dream come true
Dream on dream on
Dream on and dream until your dream comes true
Dream on dream on
Dream on dream on
Dream on dream on
Dream on ah ah

A MILLION DREAMS

I close my eyes and I can see
A world that's waiting up for me
That I can call my own

Through the dark through the door
Through where no one's been before
But it feels like home

They can say they can say it all sounds crazy

They can say they can say I've lost my mind
I don't care I don't care if they call me crazy
We can live in a world that we design

Cause every night I lie in bed
The brightest colors fill in my head
A million dreams are keeping me awake

I think of what the world could be
A vision of the one I see
A million dreams is all it's going to take
A million dreams for the world we're gonna to make
For the world we're gonna to make
