

Transforming Spaces with Art

# The Philly ART + STEM PROJECT

## PROJECT Goals:

Goal 1: Develop Design + STEM Skills

Goal 2: Identify & enhance individual student strengths

Goal 3: Create community impact projects and therapeutic engagement

*Trichita Covington,  
Founder + Project Developer*

## Program Components

Workshops & Classes: Hands-on integration of art + STEM

Project-Based Learning: Collaborative, real-world challenges

Public Exhibitions & Showcases: Celebrate achievements and community impact
