

JOEL SMITH

Pro Tools Mixer and Editor

PROFILE

I have over 30 years of experience in Audio Post Production for film and television. Having mixed over 120 feature films and having a supervising role in the majority of those films, I have acquired considerable experience in the complete process of sound editorial which includes Dialogue, Foley, Sound Effects, Sound Design and Mixing. In addition to film, I also have extensive experience in sound for television with over 150 episodes of various television series and Hundreds of thousands of network promos for both television broadcast and radio broadcast. I have owned and operated Pro Tools since 1994.

WORK EXPERIENCE

The CW Television Network - On-air & Radio Promo Mixer

2006-2022

Edit production sound, sound effects and music. Record voice-over using Source-Connect, ISDN or in booth. Mixing promos to broadcast levels using Pro Tools, Waves Plugins, Izotope Plugins, icon mixing console.

ABC Television Network - On-air Promo Mixer

2009-2012

Edit production sound, sound effects and music. Record voice-over using ISDN, and mixing with the use of Pro Tools, Final Cut software.

Warner Bros. - Radio Promo Mixer

2000-2006

Working directly with writers and producers in the process of edit production sound, sound effects and music. Record voice-over using ISDN or in booth. Mixing promos using Pro Tools. In addition, I was in charge of the technical end of the radio department needs which included setting up and maintaining network server and archival systems.

Ideal Post Sound - Head Mixer Studio Designer, & Owner

1990-2000

I was the head re-recording mixer, on over 112 feature-length motion picture films and sound supervisor on the majority of those films. Mixed over 150 episodes of various television series.
