## **ABOUT US**

The Florida Chautauqua Association is a 501(c)3 nonprofit organization established in 1993 (as the Florida Chautauqua Center, Inc.) to revive the historic Florida Chautauqua Assemblies held in DeFuniak Springs, Florida, from 1885 to 1927. This organization started doing business as Florida Chautauqua Association, Inc. in 2013 to reflect the name of the organization which orchestrated the original assemblies. Today's leaders orchestrate the modern assemblies as a 4-day educational program for families comprised of notable or famous keynote speakers, educational breakout sessions, performance teas, evening dinner performances and exhibits relating to an annual theme.
