

# OFFICIAL NEWSLETTER OF THE SOUTH DAKOTA SOCIETY OF RADIOLOGIC TECHNOLOGISTS (SDSRT)

## ASRT NEWS

A program that builds connections between libraries across the country and the American Society of Radiologic Technologists is breaking new ground in educating the public about the nation's more than 340,000 registered radiologic technologists. This year, the ASRT's National Library Partnership will facilitate hundreds of book displays and fund the purchase of thousands of relevant book titles to mark National Radiologic Technology Week®, Nov. 3-9.

## Open Position with the SDSRT

### Executive Secretary / Webmaster

This position is now open!

Pay will be \$1,200.00 a year. Position is responsible for updating the SDSRT website with the most recent news and information as well as other SDSRT board requests.

This position is also responsible for maintenance and archiving of membership information.

Must have time to commit to duties. October – April are the busiest months.

**To apply and for more information  
please visit [SDSRT.org](http://SDSRT.org) for more info!**

# Fall SDSRT Board Meeting Recap

The Fall SDSRT Board Meeting was held on **Oct 5th**

Main topics that were addressed:

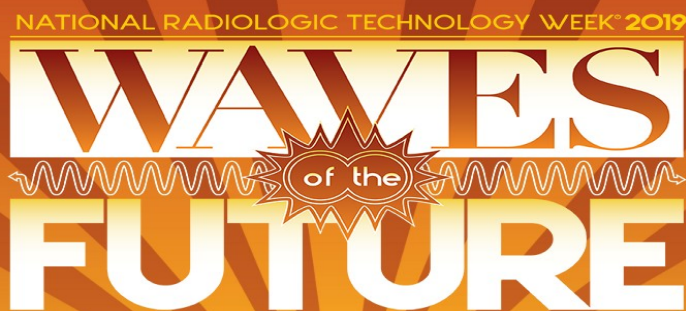

**Committee Report:** Presented by Bob Hagen

We are in the process of creating a Convention Committee that will be overseeing the organization and planning of our annual SDSRT convention to cultivate efficiency and continuity from year to year. If you are interested in volunteering please reach out to any of the board members!

**Student Exhibit Updates:** Presented by Sean Bortnem

Sean is working with instructors at all of the RT schools in SD to transition the student boards presented every year at the annual SDSRT convention from cardboard presentation boards to a digital board. This will be implemented at the 2020 convention in Mitchell.

**To see more please check out the meeting minutes on [sdsrt.org](http://sdsrt.org)**

## Nov Rad Tech Week!

**Nation Rad Tech Week will be celebrated Nov 3-9**

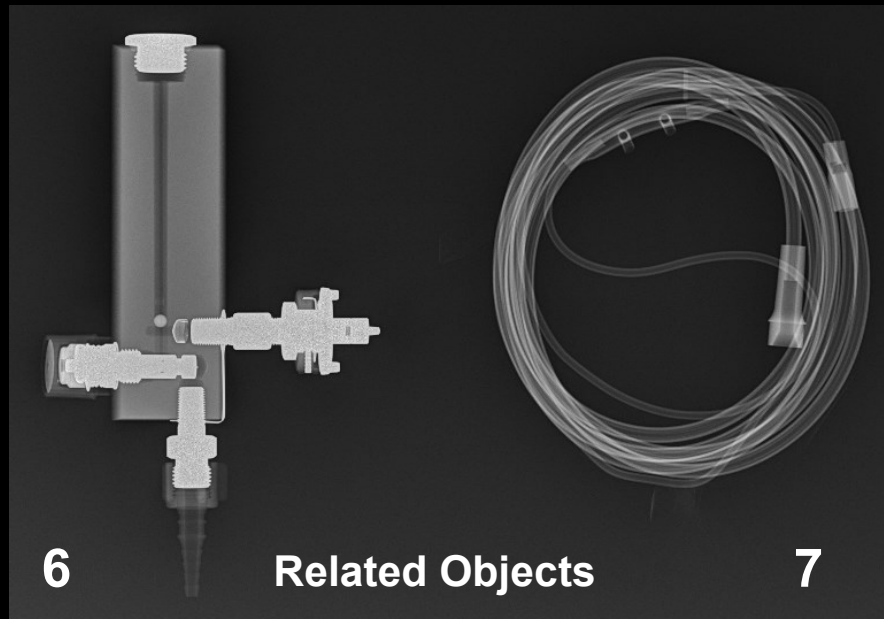

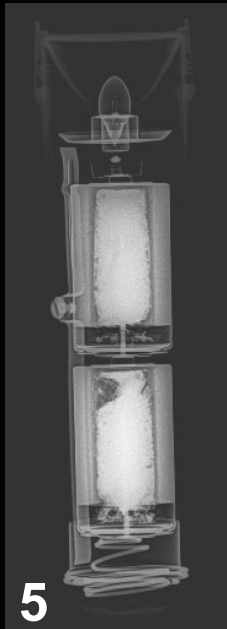

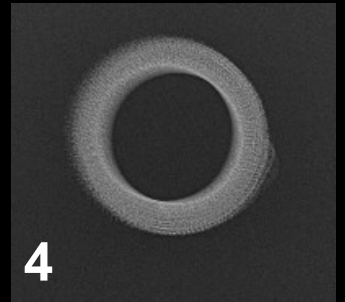

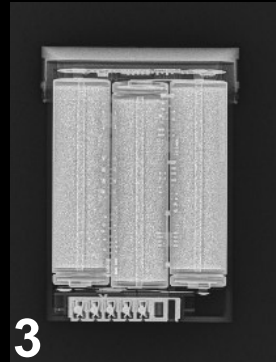

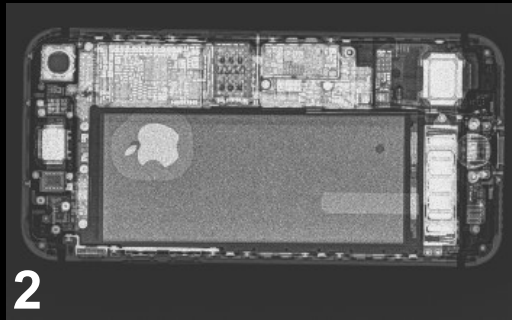

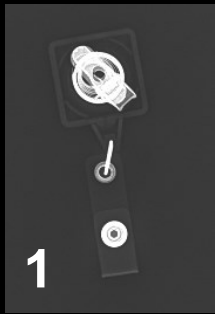

NRTW<sup>®</sup> is celebrated annually to recognize the vital work of R.T.s across the nation. The celebration takes place each year during the week that includes Nov. 8th to commemorate the discovery of the x-ray by Wilhelm Conrad Roentgen on Nov. 8, 1895

Make sure to check out all of our Rad Tech Week photos and games on our Facebook page!

# Guess The Item Game

In celebration of National Rad Tech Week we are adding some x-ray images of different items that we all would come in contact with regularly. The object of the game is to try and guess what the items are and get as many correct as possible! Answers will be published in next month's newsletter. (Hint: not all size is proportionate)

Happy Rad Tech Week!!
